

Summary of Reporting Requirements  
Other Certified Guardians to Guardianship Certification Board (GCB)  
For Calendar Year 2013

Reporting requirements are the same as for calendar years 2011 and 2012.

Some certified and provisionally certified guardians are not employed by the Department of Aging and Disability Services or by a guardianship program, and are not private professional guardians as defined by Government Code § 111.001(9):

“Private professional guardian” means a person, other than an attorney or a corporate fiduciary, who is engaged in the business of providing guardianship services.

If you are in this category, please complete and submit the form on the Board's website titled "Other Certified Guardians."

Although attorneys who are private professional guardians do not meet the definition of private professional guardian under Government Code § 111.001, we ask that attorneys who are private professional guardians, who are registered as a private professional guardian in any county, and who are certified or provisionally certified guardians complete and submit the “Private Professional Guardians” form. This will give the GCB a more complete picture of wards served by all private professional guardians.
